Task

On a farm

A 36

Read the texts about the animals. Write the name of the animal in the gaps. Connect the picture with the text.

_____ lives on a farm.
The farmer milks his cow every morning and every evening. She produces more than 25 litres of milk per day. Each year a cow gives *brith*¹ to a *calf*²..

_____ lives also on a farm.
It lays one egg every day.
They eat insects, grass and *seeds*³.
Chickens are social animals.

_____ lives on a farm like the cow and the chicken.
It eats grass.
Sheep live in a *flock*⁴. They spend most time of their life on a *field*⁵.

_____ lives in a *barn*⁶.
It eats grass, apples and hay. A horse needs activities every day. With a horse you can do different things like *show jumping*⁷, *dressage*⁸ or simply *go for a ride*⁹.

1 give birth = gebären

2 calf = das Kalb

3 seeds = die Körner

4 flock = die Herde

5 field = das Feld

6 barn = der Stall

7 show jumping = das Springreiten

8 dressage = Dressurreiten

9 go for a ride = ausreiten

Solution

On a farm

L 36

Read the texts about the animals. Write the name of the animal in the gaps. Connect the picture with the text.

The **cow** lives on a farm. The farmer milks his cow every morning and every evening. She produces more than 25 litres of milk per day. Each year a cow gives *brith*¹ to a *calf*².

The **chicken** lives also on a farm. It lays one egg every day. They eat insects, grass and *seeds*³. Chickens are social animals.

The **sheep** lives on a farm like the cow and the chicken. It eats grass. Sheep live in a *flock*⁴. They spend most time of their life on a *field*⁵.

The **horse** lives in a *barn*⁶. It eats grass, apples and hay. A horse needs activities every day. With a horse you can do different things like *show jumping*⁷, *dressage*⁸ or simply *go for a ride*⁹.

1 give birth = gebären

2 calf = das Kalb

3 seeds = die Körner

4 flock = die Herde

5 field = das Feld

6 barn = der Stall

7 show jumping = das Springreiten

8 dressage = Dressurreiten

9 go for a ride = ausreiten
